## THE WORSHIP OF GOD IN CHRIST JESUS THE LORD

*To worship God is: to quicken the conscience by the holiness of God; to feed the mind with the truth of God; to purge the imagination by the beauty of God; to open the heart to the love of God; and to devote the will to the purpose of God.*

## GENERAL INFORMATION ABOUT OUR WORSHIP TODAY

Welcome to this service of worship. The pastor and other worship leaders have put a great deal of time, thought and effort into the planning and implementation of the service. It is their hope and prayer that the service will constitute a fit offering of praise unto Almighty God, and that it will serve God's purposes as he continues to work in the lives of his children.

Ushers are available to assist you in any way during the service. They are wearing gold identification badges and are stationed near the exits during the service.

For those with children, please note the following provisions for childcare during the service: care for infants to one year olds in the nursery; care for two and three year olds in room 21 (down the preschool hallway); children's church for children age four through second grade in room 26 (also located down the preschool hallway – *the children leave for this class with its leaders following the Children's Sermon in the worship service*). An usher will be glad to help you locate these rooms either before or after the service.

The worship service is recorded on DVDs and is available upon request through the church office. A manuscript copy of the sermon is posted each Monday on the church website ([www.haymarketbaptistchurch.org](http://www.haymarketbaptistchurch.org)).

Those interested in joining the church should contact the pastor or minister of education. They will be happy to share with you the requirements for church membership.

Church Garden Our church garden continues to grow and produce a variety of vegetables despite the hot, dry weather. Vicki Bayol has delivered two harvests of vegetables to the women at BARN transitional housing so far. They are very appreciative. The garden continues to grow and produce and we still need your help in keeping it in top shape! See Vicki in order to lend a hand!
